**Announcing The Micro Tour's Benefit Tournament for
The Multiple Sclerosis Society**

The Micro Tour is proud to announce its annual Golf Benefit Tournament at Stonehouse Golf Club in Toano, Virginia on October 9th, 2010. This is our 8th Charity Benefit event and each one has supported an important and deserving cause.

The Micro Tour is a Williamsburg based golf league playing in its 11th year. Most members are residents and local business owners in the Williamsburg area and others live in the Southside, Richmond, Northern Virginia and North Carolina. We play for the love of the game but feel strongly about making a difference in other lives with our benefits.

This year's benefit is for the Multiple Sclerosis Society. Our goal is to produce an interesting day of golf, food, and to raise awareness and money for this important cause.

Please review the information included with this mailing about the tournament and the beneficiary. There are many different opportunities listed to help this cause. Obviously, entering a team would be the best way to enjoy the experience and join others working to raise money. Sponsorships on different levels are available as well or you may simply make a donation to the cause.

Please contact Mike Masengale, Benefit Chairman, by phone at 757-285-0082 or by e-mail at mike@inspectionpro.net, or Tom Sadler, Prize Coordinator at 757-876-5745 or by e-mail at butz65@gmail.com if you have any questions regarding sponsorship or other opportunities for this event.

The Micro Tour appreciates your consideration of support for the Multiple Sclerosis Society and is hopeful your kindness will help ensure a successful charity event.

Respectfully submitted

Michael C. Masengale
